Dear Sirs,

We received an 'Issue Notification' on the above patent dated 10 June 2004 advising the certificate's "Issue Date" as being 29 June 2004 and wish to advise that we have not yet received the certificate at this office (i.e. one year later). We sent you a facsimile on 24 March 2005 enquiring about the certificate but have not yet received a response (see attached).

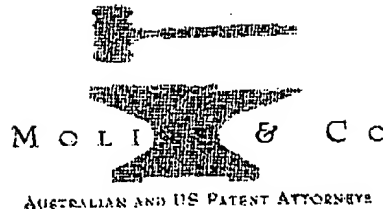

Can you please advise what we need to do to have the Certificate re-issued and sent to us? (i.e. is there a form we need to fill out for re-issue?)

We would be grateful for a response, and look forward to hearing from you.

Regards,

Michael Molins
